## MAU MAU CRUCIBLE OF WAR *STATEHOOD, NATIONAL IDENTITY, AND POLITICS OF POSTCOLONIAL KENYA*

♦♦♦

BY NICHOLAS K. GITHUKU

“Nicholas Githuku’s history confronts [Kenya’s] violence and its political effects head on. He asks new questions about Kenya’s history, quotes previously unexamined evidence, and offers his readers important new insights. In all this he challenges his fellow Kenyans to join him in resurrecting their local historiography.”

—John Lonsdale, Trinity College, Cambridge

“To those who contend that the history of the colonial period is no longer of much consequence in recent developments and trends in Kenya and other parts of Africa, moreover, this book provides a detailed and powerful refutation.”

—Robert M. Maxon, West Virginia University

### ABOUT THE BOOK

*Mau Mau Crucible of War* is a study of the social and cultural history of the mentalité of struggle in Kenya, which reached a high water mark during the Mau Mau war of the 1950s, but which continues to resonate in Kenya today in the ongoing demand for a decent standard of living and social justice for all. This work catalyzes intellectual debate in various disciplines regarding not just the evolution of the Kenyan state, but also, the state in Africa. It not only engages historians of colonial and postcolonial economic and political history, but also sociologists, anthropologists, political scientists, and those who study personality and social branches of psychology, postcolonialism and postmodernity, social movements, armed conflict specialists, and conflict resolution analysts.

### ABOUT THE AUTHOR

**Nicholas Kariuki Githuku** is assistant professor of African history at York College, CUNY.
